I believe Adrian Davis is worthy of my strong recommendation for any employment opportunity he pursues.

Adrian has been a valued member of my team for over two years. He possesses a unique ability to identify processes that need to be improved. His keen vision allows him to work through all the analytics needed to design a new and more efficient process. His exceptional knowledge in utilizing and formatting Excel spreadsheets is remarkable. Many of his projects have been responsible for saving a vast amount of valuable time for the team. He is always committed to the task until its successful completion.

Adrian is not only an excellent problem solver but an absolute team player. He possesses excellent communication skills and willingly shares his knowledge with others.

I am confident that Adrian would be a valuable asset to any organization he joins.
